

Standard Terms of Purchase

1. Acceptance of terms.

Seller shall comply with all terms set forth herein and in the Purchase Order, to which these terms are attached or are expressly incorporated by reference (collectively, the “**Order**”), including amendments, specifications and other documents referred to in this Order. Unless otherwise stated on the face of the Order or in a separate written supply agreement between the parties, the terms herein shall prevail over conflicting terms. If any “click-wrap,” “click-through,” “browse-wrap,” or “shrink-wrap” terms are included or embedded with the goods or services, including software, those conditions will be of no force and the Order will prevail. Issuance by Buyer of this Order shall not constitute an acceptance of any of Seller’s offers to sell, quotations, or other proposals. Reference in the Order to any such offers to sell, quotations or proposals shall in no way constitute a modification of any of the terms of the Order, which shall always prevail over any such offers, quotations or proposals. **ANY ACCEPTANCE OR ACKNOWLEDGMENT OF THE ORDER BY SELLER (INCLUDING WITHOUT LIMITATION BY BEGINNING PERFORMANCE OF ANY OF THE WORK OR ACTIVITIES CALLED FOR IN THE ORDER), EVEN IF CONTAINING OR REFERENCING TERMS INCONSISTENT WITH OR IN ADDITION TO THE TERMS OF THE ORDER SHALL BE DEEMED AS A FULL ACCEPTANCE BY SELLER OF THE ORDER, AND THE INCONSISTENT OR ADDITIONAL TERMS SHALL BE DEEMED INEFFECTIVE, UNLESS THEY WERE SPECIFICALLY AND EXPRESSLY MUTALLY AGREED BY BUYER AND SELLER IN WRITING.**

2. Prices, payments and quantities.

2.1 Prices & Taxes. All prices are firm. No additional charges of any kind will be allowed unless specifically agreed in writing by Buyer in an Order revision pursuant to Section 6. Seller warrants that the pricing for any goods/services shall not exceed the pricing for the same or comparable goods/services offered by Seller to third parties. Seller shall promptly inform Buyer of any lower pricing levels for same or comparable goods/services, and the parties shall promptly make the appropriate price adjustment. Seller’s prices include all taxes, fees or duties applicable to the goods and/or services, as well as Deliverables, purchased under this Order; provided, however, that any goods and services tax (as defined in *A New Tax System (Goods and Services Tax) Act 1999* (Cth)) (“**GST**”), sales tax or similar tax that is recoverable by Buyer will not be included in Seller’s price but will be separately identified on Seller’s invoice. “**Deliverables**” means all items in tangible or intangible form, including inventions, discoveries, works of authorship, programs, derivative works, source code, object code, ideas, techniques, methods, processes, information, data, documentation and materials, that Seller creates, prepares or delivers to Buyer or its Affiliate, or otherwise produces, conceives, makes, proposes or develops, in the context of rendering any work to Buyer or its Affiliate hereunder. If Seller is obligated by applicable laws, treaties, conventions, protocols, common law, regulations, ordinances, codes, standards, directives, orders, including judicial orders, and rules issued by governmental agencies or authorities which are applicable to the goods, services or the activities contemplated or provided under this Order (collectively, “**Law(s)**”) to charge any GST or similar tax to Buyer, Seller shall ensure that such tax is invoiced to Buyer in accordance with applicable rules so as to allow Buyer to reclaim it from the appropriate government authority. If Buyer is required by Law to withhold taxes for which Seller is responsible, Buyer will deduct such withholding tax from payment to Seller and provide to Seller a valid tax receipt in Seller’s name. Seller shall be solely responsible for the payment of any and all taxes (excluding GST), duties, levies, charges, salaries, insurance premiums and contributions and any interest or penalties thereon applicable to the goods or services in relation to this Order (collectively the “**Seller Payments**”); and to the maximum extent permitted by Law, Buyer shall be entitled to withhold total or partial payment, with no

penalties or interest, in the event Seller fails to provide proper evidence that it is in full compliance with the Seller Payments obligations. If required by applicable Laws, Seller shall establish or register an office, branch or division in the country where any part of the Order is to be performed, or to qualify as an organisation legally operating and doing business in such country(ies) and for imposing a similar obligation upon any supplier, vendor, contractor, representative or agent of Seller of any kind and tier used to perform any services or provide any goods or Deliverables hereunder (collectively each a “**Subcontractor**”; Seller, its Subcontractors and its or their employees, representatives, agents or invitees of any kind shall be referred to collectively as the “**Seller Group**”).

2.2 Payments. (a) Unless otherwise stated on the face of the Order or prescribed by Law, payment terms are net due 60 calendar days from the later of (a) the date of receipt of a valid invoice by Buyer or (b) the receipt of conforming goods or services by Buyer (the “**Net Date**”).

(b) Miscellaneous. Seller’s invoice shall in all cases bear the Order number and shall be issued no later than ninety (90) days after receipt of the goods by Buyer and/or Seller’s completion of the services. To the maximum extent permitted by Law, Buyer shall be entitled to reject Seller’s invoice without liability if it fails to include the Order number, is issued after the time set forth above or is otherwise inaccurate. Such rejection shall not entitle Seller to suspend performance and any resulting delay in Buyer’s payment or nonpayment shall be Seller’s sole responsibility. Seller warrants that it is authorised to receive payment in the currency stated in the Order. Buyer shall be entitled at any time to set-off any and all amounts owed by Seller or a Seller Affiliate to Buyer or a Buyer Affiliate, on this or any other order or agreement. “**Affiliate**” shall for the purposes of this Order mean, with respect to either party, any entity, including without limitation, any individual, corporation, company, partnership, joint venture, limited liability company or group, that directly, or indirectly through one or more intermediaries, controls, is controlled by or is under common control with such party.

2.3 Guaranty. In the event Buyer has reason to believe there has been a material change in Seller’s creditworthiness or financial capacity, Buyer reserves the right to require Seller to provide, within 15 calendar days of the date of the request, a parent company guaranty from its ultimate parent company or shareholder guaranty or equivalent guaranty in the form and substance provided by or at a minimum acceptable to Buyer.

2.4 Quantities.

(a) General. The Parties acknowledge that any forecast or estimated quantity of Products provided by Buyer to Seller: (i) is merely an estimate by Buyer of its needs for goods or services, (ii) is subject to adjustment at the discretion of Buyer based on its actual volume, customer and business requirements, and (iii) shall not under any circumstances constitute a commitment or obligation by Buyer or its Affiliate to purchase any minimum percentage or volume of goods or services from Seller or any other entity. Buyer is not obligated to purchase any quantity of goods or services except for such quantity(ies) as may be specified either: (i) on the face of the Order; or (ii) on a separate written release issued by Buyer pursuant to the Order. Seller shall not make material commitments or production arrangements in excess of the quantities specified in the Order or release or in advance of the time necessary to meet Buyer’s delivery schedule. Should Seller enter into such commitments or engage in such production, any resulting exposure shall be for Seller’s account. Goods delivered to Buyer in excess of the quantities specified in Buyer’s Order or release or in advance of schedule may be returned to Seller at Seller’s risk and expense, including but not limited to, any cost incurred by Buyer related to storage and handling of such goods.

(b) Cessation of Production/Replacement Parts. Seller shall give Buyer at least 90 calendar days’ prior written notice of the permanent discontinuance of production of any goods purchased hereunder or necessary for the production/provision of goods or services hereunder. The foregoing obligation shall survive termination or expiration of this Order for one calendar year. Furthermore, for all goods purchased hereunder, Seller shall provide replacement parts for a period of 2 years after production by Seller of such goods ceases. After the end of the above-referenced two-year period, Seller shall contact Buyer and offer Buyer the right to purchase such tooling. No minimum order requirements for replacement parts or other items shall apply. All replacement parts

purchased by Buyer shall be subject to the terms of this Order. All replacement parts purchased by Buyer shall be subject to the terms of this Order.

2.5 Rental Conditions. To the extent Seller is providing goods under the Order on a rental basis, such goods are subject to the rate for the rental period as set forth in the Order. For the avoidance of doubt, Buyer shall not be liable to pay any redress charges for loss, damages or abnormalities concerning Seller's rental goods, down hole or otherwise. Furthermore, any and all rental rates shall commence the same day that Buyer receives payment for such goods from Buyer's end user and shall cease the same day such end user stops paying rental for such goods. All rental goods shall be inspected and prepared in accordance with Buyer's, its end user's or any other applicable requirements, standards and regulations.

3. Delivery and passage of title.

3.1 Time is of the essence of this Order. Seller shall deliver all goods and services, including Deliverables within Buyer's delivery schedule as set forth in the Order. If Seller for any reason anticipates difficulty in complying with the required delivery date or in meeting any of the other requirements of this Order, Seller shall promptly notify Buyer in writing. Unless otherwise stated on the face of the Order, if Seller fails to deliver all the goods and related documents (including, but not limited to, drawings, Spare Parts Interchangeability Report ("**SPIR**"), certificates, manuals and quality documents) or complete the services as scheduled, Seller shall be assessed and obligated to pay Buyer on an after tax basis liquidated damages for delay in the amount of 1% of the total amount of the Order per week or part of the week of delay, up to 15% of the total value of the Order. For the purposes of this Order, the phrase "an on after tax basis" means that Buyer receives the full amount of the payment, as though no taxes were deducted or withheld. The parties agree that such amounts are a reasonable pre-estimate of the damages Buyer will suffer as a result of delay based on circumstances existing at the time the Order was issued and are to be assessed as liquidated damages and not as a penalty. For any delays exceeding 15 weeks, Buyer shall be entitled to recover any documented additional damages incurred by Buyer as a result of Seller's additional delay, and Buyer reserves the right, without liability: (a) to terminate the Order in whole or in part in accordance with Section 10.2; (b) to expedite shipments at the sole cost and expense of the Seller; or (c) to purchase substitute goods or services elsewhere and charge Seller any difference between the cost of the goods or services as set forth in the Order and the cost of obtaining substitute goods or services, which Seller hereby acknowledges that the goods or services it provides hereunder may be part of a back-to-back supply obligation of Buyer with its customer(s). Furthermore, if Seller does not comply with Buyer's delivery schedule, Buyer may require delivery by fastest method at Seller's cost.

3.2 All delivery designations are Incoterms 2020. Unless otherwise stated on the face of the Order goods shipped to Buyer's dock shall be delivered FCA (Seller's site address. All delivery designations are INCOTERMS 2010. Title to goods to be shipped from the U.S shall pass from Seller to Buyer immediately after each item departs from the territorial land, seas and overlying airspace of the U.S.; for purposes of the Order, the parties acknowledge that the territorial seas of the U.S. extend to twelve (12) nautical miles from baseline of the country, determined in accordance with the 1982 United Nations Convention of the Law of the Sea. In all other cases, title shall transfer to Buyer upon delivery. Goods delivered to Buyer in advance of schedule may be returned to Seller at Seller's expense. Buyer may specify contract of carriage and named place of delivery in all cases. In all cases, Seller shall provide to Buyer, via the packing list and the customs invoice (as applicable), the country of origin and the appropriate export classification codes including, if applicable, the Export Control Classification Number ("**ECCN**") and the Harmonized Tariff Codes of each and every one of the goods delivered pursuant to this Order, in sufficient detail to satisfy any applicable trade preferential or customs agreements. Seller understands that its failure to comply with any such Buyer specifications and other requirements shall cause all resulting transportation charges and other damages to be for the account of Seller and give rise to any other remedies available at law, contract or equity.

3.3 Seller shall include with the packing list for each shipment a detailed, complete bill of material/parts list (“**BOM**”) that lists each component of the goods purchased by Buyer and indicate which components of the BOM are and are not included in the shipment. When requested by Buyer, Seller shall provide a packing list with values for each item.

3.4 If goods cross an international border, customs clearance shall be performed according to the applicable Incoterm and Seller shall provide a copy of the commercial invoice and export declaration together with other relevant export documents, including packing list and transportation. The invoice shall be in English and in the language of the destination country, and shall include: contact names and phone numbers of representatives of Buyer and Seller who have knowledge of the transaction; Order number; Order line item; release number where applicable; part number; detailed description of the merchandise; unit purchase price in the currency of the transaction; quantity; Incoterm and named location; and country of origin of the goods for each line item. Furthermore, all goods or services in any way provided by Buyer to Seller for the performance of the Order and not included in the purchase price of the Order shall be identified separately on the invoice (e.g. consigned materials, tooling, free issue goods, etc.). Each invoice shall also include the applicable Order number or other reference information for any consigned goods and shall identify any discounts or rebates from the base price used in determining the invoice value.

3.5 If goods are delivered to a destination country having a trade preferential or customs union agreement (a “**Trade Agreement**”) with Seller’s country, Seller shall cooperate with Buyer to review the eligibility of the goods for any special program for Buyer’s benefit and provide Buyer with any required documentation (e.g. EUR1 Certificate, GSP Declaration, FAD, USMCA certification of origin or other Certificate of Origin) to support the applicable special customs program (e.g. EEA, Lome Convention, E.U./Mediterranean partnerships, GSP, E.U.-Mexico FTA, USMCA, etc.) to allow duty free or reduced duty for entry of goods into the destination country. Similarly, should any Trade Agreement or special customs program applicable to this Order be introduced at any time during the Order performance and be of benefit to Buyer, in Buyer’s judgment, Seller shall cooperate with Buyer’s efforts to realise any such available credits, including counter-trade or offset credit value which may result from this Order, and Seller acknowledges that such credits and benefits shall inure solely to Buyer’s benefit. Seller shall immediately notify Buyer of any known documentation errors. Seller shall indemnify Buyer for any costs, fines, penalties or charges arising from Seller’s inaccurate documentation or untimely cooperation.

3.6 Rejection. If any of the goods or services furnished pursuant to this Order are found after delivery to be defective or otherwise not in conformity with the requirements of this Order, including any applicable drawings and specifications, whether such defect or non-conformity relates to scope provided by Seller or any of its Subcontractors, then Buyer, at its discretion and at Seller’s expense may reject and return all or any portion of such goods or services as well as any other remedies available at law or in equity, including but not limited to the remedies listed in Section 8.3, below. For any repairs or replacements, Seller, at its sole cost and expense, shall perform any inspection or tests reasonably requested by Buyer to verify conformance to this Order.

4. Ownership of Buyer’s property.

Buyer assumes no obligation to furnish Seller with any tools, equipment or materials for the performance of this Order, except as may be expressly provided otherwise. Such tangible and intangible property (including information, data, tools, materials, drawings, computer software, know-how, documents, trademarks, copyrights, equipment or other material) furnished by Buyer shall be and remain Buyer’s property and shall be accepted and used by Seller, including its Subcontractors and the rest of the Seller Group, in “AS IS” and “WHERE IS” condition, with all faults and without any warranty whatsoever, express or implied. Seller shall use such property at its own risk. Such property and, whenever practical, each individual item thereof, shall be plainly marked or otherwise adequately identified by Seller as Buyer’s property, safely stored separate and apart from Seller’s property, and

properly maintained by Seller. Seller shall use Buyer's property only to perform this Order or other Buyer's orders, and shall not use it, disclose it to others or reproduce it for any other purpose whatsoever. Such property, while in Seller's care, custody or control, shall be held at Seller's sole risk, kept free of any encumbrances (subject to any security interest registration pursuant to the Personal Property Securities Act 2009(Cth) ("PPSA") in accordance with Section 4.3) and insured by Seller at Seller's expense in an amount equal at least to the replacement cost thereof, with loss payable to Buyer, and subject to removal, or restitution if damaged or destroyed, immediately upon Buyer's written request, in which event Seller shall prepare such property for shipment and redeliver to Buyer in the same condition as originally received by Seller, reasonable wear and tear excepted, all at Seller's expense. As noted in Section 3.4 above, any consigned material, tooling or technology used in connection with the production of the goods supplied hereunder shall be identified on the relevant commercial or *pro forma* invoice used for international shipments.

4.3 PPSA. If Buyer determines that this Order, or a transaction in connection with it, is or contains a security interest for the purposes of the PPSA, Seller will do anything that Buyer reasonably requests as being necessary for the purposes of: (i) making the security interest enforceable, perfected and otherwise effective; (ii) enabling Buyer to apply for any registration or renewal in connection with that security interest so that the security interest has the priority required by Buyer; or (iii) enabling Buyer to exercise rights in connection with the security interest, including in each case by obtaining consents or signing and producing documents. Seller must not disclose (and must not authorise any party to disclose) information of the kind mentioned in section 275(1) of the PPSA unless that disclosure is required under section 275(7) of the PPSA, notwithstanding Section 16. If this Order, or a transaction in connection with it, is or contains a security interest for the purpose of the PPSA, then to the extent permitted by Law, the Excluded PPSA Provisions do not apply in relation to this contract or transactions contemplated by it. For this purposes of this Section 4.2, "**Excluded PPSA Provisions**" means (i) for the purpose of sections 115(1) and 115(7) of the PPSA, sections 95, 118, 121(4), 125, 130, 132(3)(d), 132(4), 142 and 143; and (ii) for the purpose of section 115(7) of the PPSA, sections 132 and 137(3).

5. On-site activities.

If any portion of the activities under this Order is performed by any member of the Seller Group in, on or near a site owned, run or operated by Buyer, its Affiliate(s) or a customer of Buyer or Buyer's Affiliate (each a "Site") for longer than 10 consecutive calendar days or 14 cumulative days within a fiscal quarter, or involves access by any member of the Seller Group to any networks of Buyer, its Affiliates or its or their customers, then Seller warrants and represents that it shall verify such personnel's identity, at its expense, before deploying or granting access to any member of the Seller Group, to the extent permitted by Law and after securing required and/or appropriate written authorization from the relevant personnel, including performing a watchlist and background screen of such personnel as set forth in the Background Checking Guidelines available at <https://www.bakerhughes.com/suppliers>. If required by Buyer, Seller will also ensure such personnel undergo medical examinations, physical agility testing or drug and alcohol testing, subject to applicable Law, in order to provide reasonable assurance that such personnel will be sufficiently fit to safely perform their duties without excessive risk of harm to themselves or others.

6. Changes.

6.1 Buyer, at its sole discretion and at any time, may make changes within the general scope of this Order, including but not limited to, any adjustment to the Order price or delivery schedule, and Seller shall comply with all such changes but shall not proceed to implement any change unless and until such change is provided in writing by Buyer in an Order revision. If any changes cause a material increase or decrease in the cost and/or

time required for the performance of any work under this Order, an equitable adjustment shall be mutually agreed in writing and reflected in the Order price and/or delivery schedule. Any Seller claim for adjustment under this clause will be deemed waived unless asserted within 30 calendar days from Seller's receipt of the change (or suspension) notification, and may only include reasonable, direct and documented costs that will necessarily be incurred as a direct result of the change.

6.2 Seller shall notify Buyer in writing in advance of any and all: (a) changes to the goods or services, their specifications or composition; (b) material process changes; (c) material plant or equipment/tooling changes or moves; (d) transfer of any work hereunder to another site; or (e) material changes to its procurement of goods/services in connection with the Order; (f) discontinuation of production of the goods or performance of services; or (g) any other change which may impact the integrity of the goods/services, and no such change shall occur until Buyer has had the opportunity to conduct such audits, surveys and/or testing necessary to determine the impact of such change on the goods or services and has approved such change in writing. Seller shall be responsible for obtaining, completing and submitting proper documentation regarding any and all changes, including complying with any written change procedures issued by Buyer. Upon any change to Seller's design or the material used for the manufacture of goods in connection with the Order, Seller shall include with the packing list for each shipment a detailed, complete BOM that lists each component of the goods purchased by Buyer and indicate which components of the BOM are and are not included in the shipment. Upon Buyer's request, Seller shall provide a packing list with values for each item.

7. Quality and audits.

7.1 Inspection/Testing/Audits. In order to assess Seller's work quality, conformance with Buyer's specifications and compliance with Laws and the terms of this Order, upon reasonable notice by Buyer: (a) all goods, materials, processes, drawings and services related in any way to the goods and services purchased hereunder shall be subject to inspection and test by Buyer, its Affiliates, its or their relevant customers or its or their representatives (each of the foregoing, an "**Inspector**") at all times and places, including locations where the goods are created or services performed, whether they are at premises of Seller, Seller's Subcontractors or elsewhere; and (b) Seller's books and records relating to this Order shall be subject to inspection and audit by an Inspector. Seller shall, without additional charge: (i) provide all reasonable access and assistance for the safety and convenience of the Inspector and (ii) take all necessary precautions and implement appropriate safety procedures for the safety of the Inspector while present on Seller Group's premises, including, where requested by an Inspector for safety-related concerns, stopping all work activities immediately. If the safety, health or security of the Inspectors on such premises may be imperiled by local conditions, Buyer or its Affiliates or its or their relevant customers may remove some or all of their personnel from the premises at no cost and without liability. If specific Inspector tests, inspections or witness points are included in this Order, the goods shall not be shipped or services performed without the competent Inspector's release or a written waiver of such test/inspection/witness points; however, Buyer shall not be permitted to unreasonably delay shipment/performance. Unless otherwise mutually agreed by the parties, Seller shall notify Buyer in writing at least 30 calendar days prior to each specific Inspector test/inspection/witness point included in this Order. An Inspector's inspection, approval or failure to inspect, accept, reject or detect defects by test/inspection/witness point or audit shall neither relieve Seller from responsibility for such goods or services that are not in accordance with the Order requirements nor impose liabilities on Buyer or its Affiliates. Unless otherwise required by the Buyer, Seller shall keep complete records pursuant to this Section for 3 years following performance of the Order, except for quality-related records which shall be kept in accordance with Section 7.2 below.

7.2 Quality. Seller shall provide and maintain an inspection, testing and process control system ("**Seller's Quality System**") that is acceptable to Buyer and complies with BH-SOU-001 Supplier Quality Requirements (available at <https://www.bakerhughes.com/suppliers>) or other quality requirements set forth on the face of the Order or

are otherwise agreed to in writing. Seller's Quality Management System shall determine and apply controls necessary to ensure subcontracted work conforms to Seller's own requirements and all Buyer's requirements of this Order, and that these requirements flow down to Seller's supply chain. Acceptance of Seller's Quality System by Buyer shall not alter the obligations and liability of Seller under this Order. Seller shall keep complete records relating to Seller's Quality System and related data and shall make such records available to Buyer for: (a) 3 years after completion of this Order; (b) such period as set forth in the specifications applicable to this Order; or (c) such period as required by Law, regulation, code or accounting rules, whichever period is the longest.

7.3 Product Recall. (a) If a recall is required by Law, any governmental agency or court having jurisdiction, or Buyer or Seller reasonably determines that the goods create a potential safety hazard or unsafe condition and as a result that a recall is advisable, the parties shall promptly communicate such facts to each other. To the maximum extent permitted by Laws or competent governmental agencies, Buyer shall have the right to determine whether a voluntary recall of the affected goods is warranted or advisable. Seller and Buyer shall cooperate with and assist each other in any corrective actions or filings.

(b) To the extent a recall is determined to have been caused by a defect, non-conformance or non-compliance that is the responsibility of Seller, Seller shall reimburse and hold harmless Buyer from all reasonable costs and expenses incurred in connection with any recall, repair, replacement or refund program, including all costs related to: (i) investigating or inspecting the affected goods; (ii) notifying Buyer's customers; (iii) repairing, or where repair of the goods is impracticable or impossible, repurchasing or replacing the recalled goods; (iv) packing and shipping the recalled goods; and (v) media notification.

7.4 Escape and Non-conformance Report. (a) "**Escape**" means a good or service received by Buyer in a non-conforming manner and for which the non-conformance is detected after the good or service leaves a Buyer facility (or if provided at a Buyer's end user's facility, then at such location), Seller will be assessed and obligated to pay Buyer liquidated damages in the amount of USD 1500 (or the equivalent amount in the currency in which Buyer pays Seller) on an after tax basis for each Escape to cover the costs and expenses ("**Costs**") associated with processing of the non-conforming goods or services. Such assessment may be credited by Buyer against any amount due and owing to the Seller.

(b) "**Non-conformance Report**" or "**NCR**" means a report from Buyer to Seller that a good or service was received by Buyer in a non-conforming manner and for which the non-conformance is detected before the good or service leaves a Buyer facility. Seller will be assessed and obligated to pay Buyer liquidated damages in the amount of USD 300 (or the equivalent amount in the currency in which Buyer pays Seller) on an after tax basis for each NCR to cover the costs and expenses associated with processing of the non-conforming goods or services. Such assessment may be credited by Buyer against any amount due and owing to the Seller.

(c) The parties agree the liquidated damages payable under this Section are a reasonable and genuine pre-estimate of the costs Buyer will incur for each Escape and are not intended to be a penalty. Notwithstanding this, Seller shall have the right to prove to Buyer that no such costs and expenses were incurred by the delivery of the non-conforming goods or services or that such costs and expenses actually incurred by Buyer were significantly lower than the assessment.

(d) Buyer does not waive and specifically reserves the right to claim any damages (including actual, incidental or consequential damages, or any other damages to which it may be legally entitled under applicable law or this Order) in addition to the amount of the assessment and pursue other remedies, such as the cost of the replacement goods.

8. Warranties.

8.1 Seller warrants that all goods and services provided pursuant to this Order, whether provided by Seller or any of its Subcontractors, will: (a) be new and of merchantable quality; (b) be free from all defects in design, workmanship, material and title, and Seller will cause any lien or encumbrance asserted to be discharged, at its sole cost and expense, within 15 calendar days of its assertion (provided such liens do not arise out of Buyer's failure to pay amounts not in dispute under this Order); (c) be provided in strict accordance with all requirements, regulations, codes, standards, specifications and other requirements approved or provided by Buyer; (d) be provided or performed in a competent and professional manner in accordance with generally accepted standards and best practices that apply in Seller's industry; (e) not infringe any intellectual property right or include any Copyleft type license; and (f) be accompanied by a written description ;of any pre-existing materials contained in any Deliverables.

8.2 The foregoing warranties shall apply for a period of: (a) 24 months from the date when goods are put into operation or (b) 48 months from delivery of the goods or performance of the services, plus delays attributable to Seller's actions such as those due to non-conforming goods and services, whichever occurs last.

8.3 If any of the goods or services are found to be defective or otherwise not in conformity with the warranties in this Section, then Buyer, in addition to any other rights and remedies it may have by law, contract or at equity, and in addition to seeking recovery of any and all damages and costs emanating therefrom, at its discretion and at Seller's expense may: (a) require Seller to inspect, remove, reinstall, ship and repair or replace/re-perform nonconforming goods or services with goods or services that conform to all requirements of this Order; (b) take such actions as may be required to cure all defects or bring the goods or services into conformity with all requirements of this Order, in which event all related costs and expenses (including, but not limited to, investigation or inspection of the non-conforming goods, notification of Buyer's customers, packing and shipping the non-conforming goods, material, labor and handling costs and any required re-performance of value added machining or other service) and other reasonable charges on an after tax basis shall be for Seller's account; (c) reject and return all or any portion of such goods or services or (d) withhold total or partial payment. Any repaired or replaced good, or part thereof, or re-performed services shall carry warranties on the same terms as set forth above, with the warranty period being the greater of the original unexpired warranty or 24 months after repair or replacement/re-performance.

8.4 Rental. Seller warrants that rental goods shall meet the agreed specifications applicable to the goods, shall be in good working condition throughout the rental period, and, if requested by Buyer, shall include operating manuals. If a rental good fails to operate properly, Seller shall waive all rental payments during any time period that the good fails to operate properly or is otherwise inoperable and shall respond in a timely manner to repair or replace the good.

9. Suspension.

Buyer, at its sole discretion and at any time, may suspend performance of all or any part of the Order by notice to Seller. Upon receiving notice, Seller shall promptly suspend work to the extent specified and shall properly protect all work in progress and materials. Buyer may at any time withdraw the suspension as to all or part of the suspended work by written notice and Seller shall resume diligent performance on the specified effective date of withdrawal. Claims for cost or time resulting from suspension shall be resolved in accordance with Section 6.

10. Termination.

10.1 Termination for convenience. Buyer may terminate all or any part of this Order without cause by 100 calendar days' written notice to Seller. Upon termination (other than in accordance with Section 10.2), Buyer will determine any termination costs in its sole discretion. Such termination costs if any, will be based upon reasonable, direct and documented costs necessarily incurred as a direct result of termination that have been identified by Seller and provided to Buyer in writing within 30 calendar days of Buyer's termination notice to Seller,

unless the parties have agreed to a termination schedule in writing. Notwithstanding anything to the contrary, in no event shall Buyer's liability for termination costs or any amounts paid pursuant to this Section 10.1 exceed one hundred percent (100%) of the Order value. Buyer shall have the right to terminate at no cost any Orders with delivery lead times of 60 calendar days or longer by providing written notice within 14 calendar days of Seller's final Order acceptance.

10.2 Termination for default. Buyer, without liability, may by written notice of default, terminate the whole or any part of this Order if Seller: (a) fails to perform within the time specified or in any written extension granted by Buyer; (b) fails to make progress which, in Buyer's reasonable judgment, endangers performance of this Order in accordance with its terms; or (c) fails to comply with any of the terms of this Order; or (d) ceases to conduct its operations in the normal course of business, fails to meet its obligations as they mature or if any proceeding under bankruptcy or insolvency Laws is brought by or against Seller, a receiver for Seller is appointed or applied for, or an assignment for the benefit of creditors is made, to the maximum extent permitted by Law. Such termination shall become effective if the Seller does not cure such failure within 10 calendar days of receiving notice of default or immediately if such breach is incapable of cure. Upon termination, Buyer may procure at Seller's expense and upon terms it deems appropriate, goods or services comparable to those so terminated. Seller shall continue performance of this Order to the extent not terminated and shall be liable to Buyer for any excess costs for such comparable goods or services. As an alternate remedy and in lieu of termination for default, Buyer, at its sole discretion, may elect to extend the delivery schedule or waive other deficiencies in Seller's performance. Buyer's rights and remedies in this clause are in addition to any other rights and remedies provided by Law, equity or under this Order.

10.3 Obligations on Termination. Unless otherwise directed by Buyer, after receipt of a notice of termination of this Order, Seller shall immediately: (a) stop work as directed in the notice; (b) place no further subcontracts or purchase orders, except as necessary to complete any continued portion of this Order; (c) terminate all subcontracts to the extent they relate to work terminated and (d) deliver to Buyer all completed work and work in process, including all designs, drawings, specifications, other documentation and material required or produced in connection with such work, and all of Buyer's Confidential Information as defined in Section 15.

This Order shall in all respects be governed by and interpreted in accordance with the substantive laws of Western Australia, Australia, excluding its conflicts of law provisions. Any dispute arising out of or in connection with this Order, including any question regarding its existence, interpretation, validity or termination, will be resolved in accordance with this Section 19.

(a) The parties shall use their best efforts to settle the dispute by normal business discussions. Should such discussions fail to resolve the dispute, any party may give the other a written notice of any remaining dispute. The parties shall continue to negotiate with each other in good faith and, recognizing their mutual interests, attempt to reach a just and equitable solution satisfactory to both parties. If they do not reach such solution within a period of 30 days of receipt of the formal notice of dispute, then the parties shall resolve the dispute as set out in subsections (b) and (c) below:

(b) In the event the total amount in dispute is below AUD\$500,000.00 (Five-Hundred Thousand Australian Dollars) or local currency equivalent, it shall be determined by proceedings administered by the Resolution Institute in accordance with its Conciliation Rules.

If the dispute has not been settled pursuant to the said Rules within 60 days following the filing of a Request for Mediation or within such other period

as the parties may agree in writing, such dispute shall be finally settled under the ICC Rules of Arbitration by one or more arbitrators appointed in accordance with the said Rules of Arbitration. The period of 60 days shall be reduced in accordance with the ICC Rules in the event either party seeks the appointment of an emergency arbitrator. The seat, or legal place, of the mediation and arbitration shall be Perth, Western Australia. The language to be used in the mediation and in the arbitration shall be English.

20. Waiver.

No claim or right arising out of a breach of this Order can be discharged in whole or in part by a waiver or renunciation unless supported by consideration and made in writing signed by the aggrieved party. Either party's failure to enforce any provisions hereof shall not be construed to be a waiver of a party's right thereafter to enforce each and every such provision.

21. Electronic commerce.

For contract formation and all other purposes, each electronic message sent between the parties will be deemed, TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW: (a) "written" and a "writing"; (b) "signed"; and (c) an original business record when printed from electronic files or records established and maintained in the normal course of business. The parties expressly waive any right to object to the enforceability of any such electronic message on any grounds. By placing a name or other identifier on any such electronic message, the party doing so intends to sign the message with his/her signature.

(b) For purposes of this Order: (i) "**Modern Slavery Law**" means any law of the Commonwealth of Australia or any State or Territory of Australia pertaining to Modern Slavery; and any law of a country other than Australia, pertaining to Modern Slavery, which applies to any member of the Seller Group and (ii) "**Modern Slavery**" includes (A) any offence under Division 270 or Division 271 of the *Criminal Code Act 1995 (Cth)*, as amended; (B) the holding, trafficking, or arranging the travel of another person for purposes of slavery, servitude, or forced or compulsory labor; (C) arranging of work conditions contravening the principles and objectives of International Labour Organisation conventions C029, C105, C138 and/or C182; or (D) any conduct of the above kinds prohibited by another law applicable to any member of the Seller Group.

(c) A breach by any member of the Seller Group of this Section shall be deemed a material breach and Buyer shall have the right to terminate this Order.

23. Force Majeure.

Neither party shall be liable for any delay under the Order to the extent such delay is directly and solely attributable to an event of Force Majeure. For the purposes of this Order, "Force Majeure" shall mean an event (i) preventing a party from performing its obligations under the Order, (ii) that is outside of the affected party's control, (iii) which could not have been foreseen at the time of the Order, (iv) is not the result of the actions or negligence of the affected party, and (v) whose effects cannot be avoided despite the affected party taking all reasonable steps to mitigate and ameliorate the effects of such event. So long as conditions (i) to (v) are satisfied, such Force Majeure event shall include, without limitation, any act of God, act or omission of a governmental authority or administrative body, fire, nationwide/statewide strike or labor dispute, war, terrorism, epidemic or pandemic. For the avoidance of doubt, Force Majeure shall not include: (a) market condition or fluctuation or business downturn; (b) financial distress; (c) insufficient funds; (d) shortage of labor, materials, equipment or other resources; or (e) strike or labor dispute not occurring at a nationwide/statewide level. The party claiming Force Majeure shall promptly notify the other party of the details of the circumstances of the Force Majeure event and cessation of such circumstances, and the delivery or performance date shall be extended solely to the extent and duration of the delay caused by such Force Majeure. The delivery or performance date shall not be extended pursuant to this Section to the extent that delivery or performance was due before the occurrence of the Force Majeure event and such delivery reasonably could have been performed when originally due. In the event Buyer is issued a Force Majeure notice or suspension notice of any kind by Buyer's end user, Buyer will be entitled to treat such notice as a Force Majeure event hereunder and may suspend Seller's performance under the Order without liability, and if Buyer's performance is suspended by such Force Majeure event for longer than 60 days, Buyer may terminate the Order without liability. In no event shall Seller be entitled to any price adjustment or other financial relief or cost recovery under this Order as a result of Force Majeure, including without limitation any cost recovery claims. For the avoidance of doubt, Seller's sole remedy hereunder is the extension of time for the duration of the delay to the extent solely and directly caused by Force Majeure. In the event of curtailment of deliveries compelling Seller to allocate production and deliveries of goods or services hereunder, Seller shall make such allocation in a manner that provides Buyer at least the same percentage of Seller's total output of goods or services that Buyer purchased on average in the twelve (12) months immediately preceding the Force Majeure event. Seller shall have no right to place Buyer on allocation for any reason other than as set forth in, and in accordance with, the terms of this Section.

This Order is intended as a complete, exclusive and final expression of the parties' agreement with respect to the subject matter herein and, unless otherwise expressly agreed in writing between the parties, supersedes any prior or contemporaneous agreements, whether written or oral, between the parties. This Order may be executed in one or more counterparts, each of which shall for all purposes be deemed an original and all of which shall constitute the same instrument. No prior course of dealing and no usage of the trade shall be relevant to determine the meaning of this Order even though the accepting or acquiescing party has knowledge of the performance and opportunity for objection. The invalidity, in whole or in part, of any of the foregoing articles or paragraphs of this Order, or any part thereof, shall not affect the remainder of such sentences, articles or paragraphs or any other sentences, article or paragraph of this Order, which shall continue in full force and effect. Further, the parties agree to give any such article or provision deemed invalid, in whole or in part, a lawful interpretation that most closely reflects the original intention of Buyer and Seller. p
